THIS CERTIFIES THAT in exchange for the payment by the “Investor” of the “Purchase Amount” on or about “Date of Sale”, the “Company”, issues to the Investor the right to certain units of the Company’s Equity Securities, subject to the terms described in the Summary Table above or below in the document (Section 2 for certain additional defined terms).

**1. Events**

(a) **Equity Financing.** If there is an Equity Financing before the Maturity Date, on the initial closing of such Equity Financing, this SAFE+R will automatically convert into the number of units of that “Equity Security” equal to the Purchase Amount divided by the Conversion Price.

In connection with the automatic conversion of this SAFE+R into units of the Equity Security, the Investor will execute and deliver to the Company all of the transaction documents related to the Equity Financing; *provided*, that such documents (i) are the same documents to be entered into with the purchasers of Equity Securities, with appropriate variations for the Equity Security if applicable, and (ii) have customary exceptions to any drag-along applicable to the Investor, including (without limitation) limited representations, warranties, liability and indemnification obligations for the Investor.

(b) **Liquidity Event**. If there is a Liquidity Event before the termination of this SAFE+R, this SAFE+R will automatically be entitled (subject to the liquidation priority set forth in Section 1(d) below) to receive a portion of Proceeds, due and payable to the Investor immediately prior to, or concurrent with, the consummation of such Liquidity Event, equal to the greater of:

(i) the Purchase Amount (the “**Cash-Out Amount**”), or

(ii) the amount payable on the number of units of Equity Securities equal to the Purchase Amount divided by the Liquidity Price (the “**Conversion Amount**”).

If any of the Company’s securityholders are given a choice as to the form and amount of Proceeds to be received in a Liquidity Event, the Investor will be given the same choice, *provided* that the Investor may not choose to receive a form of consideration that the Investor would be ineligible to receive as a result of the Investor’s failure to satisfy any requirement or limitation generally applicable to the Company’s securityholders, or under any applicable laws.

Notwithstanding the foregoing, in connection with a Change of Control intended to qualify as a tax-free reorganization, the Company may reduce the cash portion of Proceeds payable to the Investor by the amount determined by its board of directors in good faith for such Change of Control to qualify as a tax-free reorganization for U.S. federal income tax purposes, provided that such reduction (A) does not reduce the total Proceeds payable to such Investor and (B) is applied in the same manner and on a pro rata basis to all securityholders who have equal priority to the Investor under Section 1(d).

(c) **Dissolution Event**. If there is a Dissolution Event before the termination of this SAFE+R, the Investor will automatically be entitled (subject to the liquidation priority set forth in Section 1(d) below) to receive a portion of Proceeds equal to the Cash-Out Amount, due and payable to the Investor immediately prior to the consummation of the Dissolution Event.

(d) **Liquidation Priority**. In a Liquidity Event or Dissolution Event, this SAFE+R is intended to operate like standard non-participating Preferred Stock. The Investor’s right to receive its Cash-Out Amount is:

(i) Junior to payment of outstanding indebtedness and creditor claims, including contractual claims for payment and convertible promissory notes (to the extent such convertible promissory notes are not actually or notionally converted into Capital Stock);

(ii) On par with payments for other SAFE+Rs and/or Preferred Stock, and if the applicable Proceeds are insufficient to permit full payments to the Investor and such other SAFE+Rs and/or Preferred Stock, the applicable Proceeds will be distributed pro rata to the Investor and such other SAFE+Rs and/or Preferred Stock in proportion to the full payments that would otherwise be due; and

(iii) Senior to payments for Common Stock.

The Investor’s right to receive its Conversion Amount is (A) on par with payments for Common Stock and other SAFE+Rs and/or Preferred Stock who are also receiving Conversion Amounts or Proceeds on a similar as-

converted to Common Stock basis, and (B) junior to payments described in clauses (i) and (ii) above (in the latter case, to the extent such payments are Cash-Out Amounts or similar liquidation preferences).

(e) **Maturity Date; Investor's Election to Extend.**

(i) In the event that an Equity Financing, Liquidity Event or Dissolution Event does not occur on or before the Maturity Date, the Investor can elect to either (A) extend the Maturity Date for an additional one year period; or (B) require the Company to repurchase this SAFE+R by paying to Investor an amount equal to the Purchase Amount.

(ii) Investor may make such election by providing the Company with written notice of the Investor's intent not later than ninety (90) days prior to the Maturity Date.

(iii) If Investor does not provide any notice to the Company as to Investor's intention, the Company may repurchase this SAFE+R by paying to Investor an amount equal to the Purchase Amount and on the terms specified within Section 1(e)(iv) herein or extending the Maturity Date by one year.

(iv) In the event of a repurchase, the Company shall repay to Investor the Purchase Amount, without interest, in no more than thirty-six (36) monthly instalments.

(f) **Company's Option to Repurchase.** Company shall have the right, at any time so long as this SAFE+R has not been terminated, to repurchase this SAFE+R by paying the Investor the Purchase Amount in the manner and on the terms specified within Section 1(e)(iv) herein.

(g) **Termination.** This SAFE+R will automatically terminate (without relieving the Company of any obligations arising from a prior breach of or non-compliance with this SAFE+R) immediately following the earliest to occur of: (i) the issuance of Capital Stock to the Investor pursuant to the automatic conversion of this SAFE+R under Section 1(a); (ii) the payment, or setting aside for payment, of amounts due the Investor pursuant to Section 1(b) or Section 1(c); or (iii) the payment of amounts due the Investor pursuant to Section 1(e) in the event of a repurchase of this SAFE+R.

“**SAFE+R**” means an instrument containing a future right to units of Equity Securities, similar in form and content to this instrument, purchased by investors for the purpose of funding the Company’s business operations, which instrument contains provisions allowing investors to elect to have the Company repurchase the instrument on a specified maturity date. (b) The execution, delivery and performance by the Company of this SAFE+R is within the power of the Company and has been duly authorized by all necessary actions on the part of the Company (subject to section 3(d)). This SAFE+R constitutes a legal, valid and binding obligation of the Company, enforceable against the Company in accordance with its terms, except as limited by bankruptcy, insolvency or other laws of general application relating to or affecting the enforcement of creditors’ rights generally and general principles of equity. To its knowledge, the Company is not in violation of (i) its current certificate of incorporation or bylaws, (ii) any material statute, rule or regulation applicable to the Company or (iii) any material debt or contract to which the Company is a party or by which it is bound, where, in each case, such violation or default, individually, or together with all such violations or defaults, could reasonably be expected to have a material adverse effect on the Company.

(c) The performance and consummation of the transactions contemplated by this SAFE+R do not and will not: (i) violate any material judgment, statute, rule or regulation applicable to the Company; (ii) result in the acceleration of any material debt or contract to which the Company is a party or by which it is bound; or (iii) result in

the creation or imposition of any lien on any property, asset or revenue of the Company or the suspension, forfeiture, or nonrenewal of any material permit, license or authorization applicable to the Company, its business or operations.

(d) No consents or approvals are required in connection with the performance of this SAFE+R, other than: (i) the Company's corporate approvals; (ii) any qualifications or filings under applicable securities laws; and (iii) necessary corporate approvals for the authorization of Capital Stock issuable pursuant to Section 1.

(e) To its knowledge, the Company owns or possesses (or can obtain on commercially reasonable terms) sufficient legal rights to all patents, trademarks, service marks, trade names, copyrights, trade secrets, licenses, information, processes and other intellectual property rights necessary for its business as now conducted and as currently proposed to be conducted, without any conflict with, or infringement of the rights of, others.

(a) The Investor has full legal capacity, power and authority to execute and deliver this SAFE+R and to perform its obligations hereunder. This SAFE+R constitutes valid and binding obligation of the Investor, enforceable in accordance with its terms, except as limited by bankruptcy, insolvency or other laws of general application relating to or affecting the enforcement of creditors' rights generally and general principles of equity.

(b) The Investor is an accredited investor as such term is defined in Rule 501 of Regulation D under the Securities Act and acknowledges and agrees that if not an accredited investor at the time of an Equity Financing, the Company may void this SAFE+R and return the Purchase Amount. The Investor has been advised that this SAFE+R and the underlying securities have not been registered under the Securities Act, or any state securities laws and, therefore, cannot be resold unless they are registered under the Securities Act and applicable state securities laws or unless an exemption from such registration requirements is available. The Investor is purchasing this SAFE+R and the securities to be acquired by the Investor hereunder for its own account for investment, not as a nominee or agent, and not with a view to, or for resale in connection with, the distribution thereof, and the Investor has no present intention of selling, granting any participation in, or otherwise distributing the same. The Investor has such knowledge and experience in financial and business matters that the Investor is capable of evaluating the merits and risks of such investment, is able to incur a complete loss of such investment without impairing the Investor's financial condition and is able to bear the economic risk of such investment for an indefinite period of time.

#### 5. *Miscellaneous*

(a) Any provision of this SAFE+R may be amended, waived or modified by written consent of the Company and either (i) the Investor or (ii) the majority-in-interest of all then-outstanding SAFE+Rs with the same "Post-Money Valuation Cap" and "Discount Rate" as this SAFE+R (and SAFE+Rs lacking one or both of such terms will be considered to be the same with respect to such term(s)), *provided that* with respect to clause (ii): (A) the Purchase Amount may not be amended, waived or modified in this manner, (B) the consent of the Investor and each holder of such SAFE+Rs must be solicited (even if not obtained), and (C) such amendment, waiver or modification treats all such holders in the same manner. "Majority-in-interest" refers to the holders of the applicable group of SAFE+Rs whose SAFE+Rs have a total Purchase Amount greater than 50% of the total Purchase Amount of all of such applicable group of SAFE+Rs.

(b) Any notice required or permitted by this SAFE+R will be deemed sufficient when delivered personally or by overnight courier or sent by email to the relevant address listed on the signature page, or 48 hours after being deposited in the U.S. mail as certified or registered mail with postage prepaid, addressed to the party to be notified at such party's address listed on the signature page, as subsequently modified by written notice.

(c) The Investor is not entitled, as a holder of this SAFE+R, to vote or be deemed a holder of Capital Stock for any purpose other than tax purposes, nor will anything in this SAFE+R be construed to confer on the

Investor, as such, any rights of a Company Stockholder or rights to vote for the election of directors or on any matter submitted to Company Stockholders, or to give or withhold consent to any corporate action or to receive notice of meetings, until units have been issued on the terms described in Section 1. However, if the Company pays a dividend on outstanding units of Common Stock (that is not payable in units of Common Stock) while this SAFE+R is outstanding, the Company will pay the Dividend Amount to the Investor at the same time.

(d) Neither this SAFE+R nor the rights in this SAFE+R are transferable or assignable, by operation of law or otherwise, by either party without the prior written consent of the other; *provided, however*, that this SAFE+R and/or its rights may be assigned without the Company’s consent by the Investor (i) to the Investor’s estate, heirs, executors, administrators, guardians and/or successors in the event of Investor’s death or disability, or (ii) to any other entity who directly or indirectly, controls, is controlled by or is under common control with the Investor, including, without limitation, any general partner, managing member, officer or director of the Investor, or any venture capital fund now or hereafter existing which is controlled by one or more general partners or managing members of, or units the same management company with, the Investor; and *provided, further*, that the Company may assign this SAFE+R in whole, without the consent of the Investor, in connection with a reincorporation to change the Company’s domicile.

(e) In the event any one or more of the provisions of this SAFE+R is for any reason held to be invalid, illegal or unenforceable, in whole or in part or in any respect, or in the event that any one or more of the provisions of this SAFE+R operate or would prospectively operate to invalidate this SAFE+R, then and in any such event, such provision(s) only will be deemed null and void and will not affect any other provision of this SAFE+R and the remaining provisions of this SAFE+R will remain operative and in full force and effect and will not be affected, prejudiced, or disturbed thereby.

(f) All rights and obligations hereunder will be governed by the laws of the State of Iowa, without regard to the conflicts of law provisions of such jurisdiction.

(g) The parties acknowledge and agree that for United States federal and state income tax purposes this SAFE+R is, and at all times has been, intended to be characterized as Stock, and more particularly as common Stock for purposes of Sections 304, 305, 306, 354, 368, 1036 and 1202 of the Internal Revenue Code of 1986, as amended. Accordingly, the parties agree to treat this SAFE+R consistent with the foregoing intent for all United States federal and state income tax purposes (including, without limitation, on their respective tax returns or other informational statements).
